Objectives

Aligned with the core philosophy and objectives of the CII National Committee on Special Abilities and the CII India Business & Disability Network (IBDN), this award aims to recognize, reward, and inspire businesses to take action and strengthen the industry's commitment to disability inclusion.

1 Recognize and celebrate companies leading the way in disability inclusion.

2 Provide an opportunity for companies to reflect on their inclusion practices and take actionable steps to improve.

3 Inspire organizations to adopt and implement industry best practices for disability inclusion

4 Highlight success stories to motivate others and build momentum for systemic change.

5 Establish a standardized benchmark to guide and accelerate the industry's journey toward inclusive practices.

6 Foster collaboration and knowledge-sharing among companies to drive collective progress in disability inclusion.

Eligibility Criteria

1 Companies operating in India for minimum 2 years across Manufacturing and Service Industry.

2 Separate award categories for -
- Large Companies (Investment > ₹50 Cr and Turnover > ₹250 Cr)
- Medium & Small Companies
    - Micro: ≤ ₹1 Cr investment, ≤ ₹5 Cr turnover
    - Small: ≤ ₹10 Cr investment, ≤ ₹50 Cr turnover
    - Medium: ≤ ₹50 Cr investment, ≤ ₹250 Cr turnover)

Application Portal:- https://ciiibdn.com/disabilityinclusionawards/signup

Award Categories

Award categories are designed to achieve a multi-pronged approach by ensuring representation across sectors (manufacturing and services) and balancing weightage across specific and overall thematic areas.

Accessing Accommodations and Confidentiality		Feedback and Confidentiality		Innovation

"Workspaces are microcosm of the society. Every time an organization transcends on a disability inclusion path , the ripples spread far and wide ....

There is thus a need to recognize , reward , motivate and consolidate learnings ...."
